CEO STATEMENT

MOHAMMAD NASER

CEO AND PRESIDENT

As the **Chief Executive Officer** of **Tekcircles**, I am thrilled to convey this message on behalf of our team, as we celebrate our 10th anniversary. Since our inception in 2014, we have been offering exceptional IT solutions and digital marketing services, and we feel privileged to have served our clients with dedication and excellence over the past decade.

As a company, we have seen remarkable growth and transformation over the years, and we are proud of our achievements, including:

- Expanding our team and fostering a diverse and inclusive workplace culture.
- Becoming a leading provider of customized IT solutions in the industry, catering to the unique needs of our clients.
- Establishing a strong global presence, with a growing clientele across North **America**, **Europe**, and **Asia**.

At Tekcircles, we remain committed to delivering exceptional customer service and upholding our core values - Innovation, Reliability, Trust, and Customer Satisfaction. We are excited about the future, and we aim to accelerate our growth strategy while continuing to build on our strengths and expand our services.

We believe that the best of Tekcircles is yet to come, and we are excited to continue serving our clients, bringing positive change to the communities we work with and live in, and creating innovative solutions that shape the future of technology.

OUR SERVICE

We offer IT business solutions and digital marketing strategies to help businesses grow. Our expertise includes custom software solutions, SEO, PPC, social media, and content marketing. Let us help your business succeed with tailored solutions that meet your unique needs.

Premium, Brand Enforcing Websites:

We create stunning and practical website designs by leveraging our team's passion and creativity. At Tek Circles, we take a unique and holistic approach to our work, customizing solutions to meet our clients' needs.

Branding:

We strategically design modern, memorable and trusted brand identities, backed up by consistent collateral to instill professionalism & maturity.

Digital Marketing :

We deliver effective digital strategies, designs, and results that set our clients apart from competitors. Our approach is cost-effective and sales-driven. Let us handle everything and help you achieve success.

Customer relationship management & Enterprise resource planning :

We provide CRM and ERP solutions to help businesses manage their core processes, such as finance, accounting, human resources, and supply chain management. Our software and systems are tailored to meet the unique needs of each business.

BUSINESS

ACHIEVEMENTS

We are incredibly proud to announce that our company has achieved a major milestone - we now have over 8255+ active customers across Asia, Europe, America, and Australia. This achievement is a testament to the hard work and dedication of our team, as well as our commitment to providing top-quality IT business solutions and digital marketing strategies.

We are thrilled to have such a diverse and global customer base, and we believe that this is a reflection of the effectiveness of our services. We understand that businesses around the world have different needs, and that's why we work hard to tailor our solutions to meet the unique requirements of each of our clients.

Our customers come from a wide range of industries, including technology, healthcare, finance, and retail, among others. We are honored to have earned their trust and confidence, and we remain committed to providing them with exceptional service and support.

As we continue to grow and expand our reach, we remain focused on our core mission - to help businesses succeed by providing them with tailored solutions that meet their unique needs. We look forward to continuing to serve our existing customers, as well as welcoming new ones from around the world.

COMPANY

RESPONSIBILITY

At our company, we take our responsibility to our clients very seriously. We understand that in today's competitive market, businesses need to stay ahead of the game, and that's where we come in. We offer a range of IT business solutions and digital marketing strategies that are tailored to meet the unique needs of each of our clients.

Our team of experts specializes in custom software solutions, SEO, PPC, social media, and content marketing, and we work closely with our clients to develop strategies that will help their businesses grow. We understand that every business is different, and that's why we take the time to get to know our clients and their businesses so that we can provide solutions that are specific to their needs.

We are committed to providing our clients with the highest level of service and support, and we take pride in the relationships we build with each of our clients. We believe that our success is directly tied to the success of our clients, and that's why we work tirelessly to help them achieve their goals.
